

Trent Postell

Early Learning Owner • Leadership Speaker • Executive Leader

Leadership that strengthens early learning.

Trent brings the perspective of an early learning owner to the stage—not just leadership theory. He equips owners, directors and educator teams to develop people, raise standards and build organizations that serve children and families well.

20 years of shared early-childhood experience	**Founder & owner • Impact Learning Center**	**Four-time Gator100 Award winner**

BUILT IN EARLY CHILDHOOD. GROUNDED IN REAL LEADERSHIP.

Trent and his wife share 20 years of early childhood education experience, including her work as a center director and his involvement with youth and other education programs. Together, they co-founded Impact Learning Center. Trent has built, operated and sold multiple locations and continues to own one of the largest early childhood education centers in Northeast Florida. Founded in 2014, Impact Learning Center has earned a five-star Guiding Stars of Duval rating and holds Gold Seal Quality Care accreditation.

A four-time University of Florida Gator100 Award winner, Trent combines nearly two decades of executive leadership across finance, franchising and education with people development and sound business practices.
