OPERATOR PERSPECTIVE. EXECUTIVE DISCIPLINE.

Through Impact Legacy Group and V Pizza Orlando, Trent's entrepreneurial experience includes restaurant franchising alongside early childhood education and business development. He brings nearly two decades of executive leadership across finance, franchising and education, including prior management of more than $750 million in mortgage volume.

A four-time University of Florida Gator100 Award winner, Trent speaks about leadership as responsibility: the people you develop, the consistency you model and the systems that keep an organization strong. His sessions connect hospitality's daily demands with a lasting leadership standard.
